Box Amendment
Commissioner of Patents
Washington, D.C. 20231

RECEIVED

Sir:

JUL 22 2002

PRELIMINARY AMENDMENT

Technology Center 2600

Please add new claims 64-70. Check No. 6769 in the amount of \$258 is enclosed to cover the cost of additional claims added by this amendment. If this amount is not sufficient, the Commissioner is hereby authorized to deduct any additional fees from Deposit Account 18-1167.

In the Specification

Please replace the existing specification paragraphs with the following amended versions:

[043] If there is an ongoing packet data communication, such packet data communication is placed on hold or is interrupted because the terminal is tuned to the multi-service network 101 as described above. Moreover, it also results in frequent, but unnecessary, registrations on the circuit switched network and polling of paging channels on the circuit switched network. All of
